

INSURE YOUR PACKAGES WITH U-PIC®

PACKAGE INSURANCE
SINCE 1989

U-PIC Insurance Covers your Parcels Against Damage, Loss and Shortage While in Transit. . . .

U-PIC Insurance Services is the leader in providing low cost shipping insurance to businesses and individuals. Packages are covered against damage, loss and theft with a savings of up to 85% less than what the carriers charge. U-PIC is the provider of choice for package insurance for leading eCommerce companies and their clients. Continue to ship with your carrier such as USPS, FedEx and UPS and insure with U-PIC for less. U-PIC has been insuring packages since 1989 as experts in the industry.

The U-PIC Advantage:

- Savings up to 85% less than the carriers charge
- Claims are resolved electronically within 7 – 10 business days
- Excellent customer service experience
- Easily integrates into any shipping software
- Custom API's

Filing a Claim is Quick and Easy:

Our goal at U-PIC is to make your claims experience as fast and painless as possible. Just submit the paperwork required online and a resolution is made on the claim within 7 -10 business days. It's that simple!!

How to file a claim: Claims are filed online at www.u-pic.com by logging into your account. Once our simple claim form is completed you will be given a claim number as well as the ability to monitor your claim online in real time. After all of the claim documents have been submitted, a licensed U-PIC Claim Representative will review and process the claim within 7-10 business days.

Get Your Free Quote:

Apply online by submitting an application [here](#) and one of our sales insurance specialists will contact you with your customized rate quote. Applications enable U-PIC to provide a proposal and do not bind you to use our services. Rate quotes are based on volume, carriers used, claims experience and commodity.
