

With **LSO**, you get more than a regional parcel carrier. You get Your Own Personal Rapid Delivery System.

The speed of a courier + The discipline of a carrier = Your own personal rapid delivery system

Only LSO™ combines the speed of a courier, the discipline of a carrier and the service of a true partner. Our one-of-a-kind shipping model enables us to deliver your own personal rapid delivery system. We offer reliable, efficient package delivery services to every address in Texas, southeastern New Mexico and all major metro markets in Oklahoma, Louisiana, Arkansas, Alabama & Tennessee, plus the country of Mexico. More responsive, more flexible and more friendly than any other shipping company. That's the power of LSO.

Why Switch to LSO?

We can help you reduce rates and turn your parcel shipping into a competitive business advantage.

How we help you:

- ▶ We're built for **SPEED** – so you can out-run your competition
- ▶ We **ADAPT** our operations to your business – so you can be more efficient
- ▶ We're making delivery **PERSONAL** again – so you can stand out with your customers
